PROFESSIONAL EXPERIENCE

Aegis Financial Corporation

McLean, VA

Summer Analyst

May 2026 – Aug 2026

- Engineered a 14-company gold-mining comparables model, extracting capital structure, resources/reserves, NPV/IRR sensitivities, and study economics from MD&As, quarterly financials, and NI 43-101 technical reports (~92 line items per company, ~1,300 sourced cells total)
- Deployed a companion HTML dashboard surfacing relative-value outliers across the peer group, including P/NAV, EV/Resource, and EV/EBITDA, refreshed against live gold spot, FX, and equity prices; maintained by a full-time analyst for ongoing sector screening
- Updated 12 existing financial models and summarized quarterly results, earnings calls, and management guidance across 10 equities in energy and consumer products, briefing PMs on portfolio updates and prompting calls with company executives to follow up on notable developments

Equity Research Intern

Aug 2024

- Updated 10 financial models across 5 mining and energy companies over 2 weeks, analyzing quarterly filings and earnings call transcripts

Liber Management

Dallas, TX

Winter Analyst

Dec 2025 – Jan 2026

- Screened companies against an investment framework, consisting of \$700K-\$2M EBITDA, 7+ year operating history, 60%+ recurring revenue, and no customer exceeding 20% of revenue; excluded one-man operations, foreign-headquartered businesses, and project-based revenue models
- Verified ownership contacts for 1,000+ small private companies across niche trades such as locksmith services and lawn care, cross-referencing LinkedIn, RocketReach, Hunter.io, and state business registries to build a vetted outreach list for management's acquisition sourcing
- Evaluated a confidential information memorandum on a live lower-middle-market sale process, building an LBO at 80% leverage across senior debt, a seller note, and sponsor equity, sensitizing IRR and MOIC over entry and exit multiples to recommend acquisition in a 9-slide deck

Signet Capital Advisors

Cleveland, OH

Market Research Intern

Jul 2025 – Aug 2025

- Analyzed 2 Ohio thermoset and thermoplastic molding companies, comparing 4 compound formulations (SMC, BMC, TMC, ESC), 3 molding processes (compression, injection, transfer), and value-added services to differentiate competitive positioning within the regional market
- Consolidated 36 monthly earnings statements into 3 twelve-month rolling reports, normalizing seasonality to surface multi-year margin trends

Riverbend Golf and Country Club

Great Falls, VA

Busser

Jun 2023 – Aug 2025

- Prepared and reset dining areas for daily service and banquets of 1,000+ guests, sustaining table turnover across 40+ guests per shift
- Trained 3 new bussers on service standards, table settings, and event setup, serving as the reference point for full-time hires and seasonal staff

LEADERSHIP & EXTRACURRICULAR EXPERIENCE
